TO THE CITIZENS AND FRIENDS OF RENFREW

We are proud of our Towns' Year Book giving as it does a bit of history, a comprehensive list of our Towns' Organizations and the story of the past years' activities.

The present generation complains of the complexity of living and we find that very similar complaints were made in the past generation and in the generation preceding it. However, it is true that Municipal Affairs are becoming more and more complex in our growing country. Our taxpayers should know how their money is spent, whether it comes directly from the taxpayers or through the treasury of the Government of Ontario. Visitors and even our oldest residents need some reference book where lists of officers of the many town organizations are available in a convenient form.

This book is published, therefore, for your convenience and education. Please use it and while using it become informed on our towns' problems so that your counsel and criticisms to your Mayor and Municipal Council will be valuable and constructive.

The Municipality needs help from more people interested in civic affairs. Here is a brief story of your Town, you will find it interesting.

Greetings on behalf of Renfrew,
"LET IT FLOURISH"

(Signed) "D. W. Stewart, Jr."

RENFREW PAST AND PRESENT

It is not intended to give a full history of events of this area, known in 1955 as the Town of Renfrew, but rather to give a few highlights as to the origin of the municipality. There is much historical data to be found which we hope will some day be collected and used to make an interesting volume.

The Calendar found in this book gives some of the dates of interesting and important events in the life of our Town, down through the years, and will be added to as further information is secured from Town and other records.

There seems to be little doubt that our Town took its name from either the County of Renfrew or Town of Renfrew in Scotland. Rev. Henry Mick, a former Minister of Trinity St-Andrews United Church in Renfrew, recorded in his book "The History of Trinity St-Andrews, 1828 to 1928 as follows:-

"It seems clear that the name "RENFREW" was first applied to the County. The late Senator Andrew Hayden says: "On the 10th of September, 1842, the Governor appointed Andrew Dickson of Pekenham, to be the Registrar of the County of Renfrew - a new County, by the way, following the division of the Province upon the Act of Union - and naming Pekenham as the place for keeping the Registry Office. Now, Sir Charles Bagot was Governor at that time. So far I have discovered nothing in his history or relationship which would normally cause him to select the name "RENFREW" for the new County. Thus I have made application to the Public Archives of Canada, at Ottawa, for information concerning who suggested the name, but received only the following:

THIS COUNTY TAKES ITS NAME FROM RENFREWSHIRE, ANCIENTLY STRATHGRYFFE, A WEST COUNTY OF SCOTLAND, THE WHOLE OF WHICH IS INCLUDED IN THE BASIN OF THE CLYDE. THE STUART FAMILY HAD THEIR EARLIEST KNOWN PATRIMONIAL INHERITANCE IN THE PARISH OF RENFREW, IN RENFREWSHIRE, AND IT IS FROM THIS CIRCUMSTANCE THAT THE PRINCE OF WALES DERIVES HIS TITLE OF BARON RENFREW.

We are grateful for this information, but of course it still leaves unsolved the question: "Who inspired the application of the name RENFREW as applied to the new County in 1842?" Some day this may come to light. The general information just given is similar to that furnished by G. H. Armstrong in a very interesting volume recently published. There it is stated concerning the County of Renfrew that "It took its name from Renfrewshire, Scotland. The original home of the Stuarts was in the parish of Renfrew. This fact accounts for one of the titles of the Prince of Wales, Baron Renfrew. George I was grandson of Princess Elizabeth, daughter of James I of the Stuart line".

The site of RENFREW was known in the 1820's as the "Second Chute". Next it was known as Renfrewville, and in the early fifties the name of RENFREW was commonly used.

The history of Renfrew, insofar as the white man is concerned, dates back to about the year 1820 when lumbermen in search of new timber berths, made Renfrew a stopping point. The first man to make a clearance was a Mr. Doyle. The first man who appears to be entitled to be known as the first actual pioneer was Mr. Joseph Brunette - because he remained for some years and died here. Brunette probably came in 1823 or 1824 and was what was known in those days as a lumber squatter. He eventually settled down as a farmer and built the first residence in Renfrew.

The first survey of Horton Township of which Renfrew is a part, was made about the year 1825 by an employee of the Government named Owen Quinn and it was about that time that the Township was given its name. Horton Township was probably named after R.J. Wilmot Horton, an English M.P., who was active in promoting emigration to Canada about that time. Quinn referred to the small clearing and settler's cabin as "Rose Tree Falls". Largely through the movement of Scottish families from the Township of McNab, where "The Chief" had established a feudal community and immigrants mainly from Scotland, the settlement grew and on August 16th, 1858, was incorporated as a Village. It was at this time that the seal with the tree and motto: "RENFREW LET IT FLOURISH" was adopted.

During the "fifties" men of enterprise came to Renfrew and a number of new industries were established on the Bonnechere. The Village grew in size and importance, and served as a centre, which was considered quite remote from the County seat at Perth.

With the building of the Railway to Renfrew in 1874, Renfrew became more important as a centre and distributing point for the area, and in 1895, with a population of 2,900 was incorporated as a Town.

RENFREW, originally a lumbering town, is now the centre for one of the richest farming areas in the Province, and is, as well, steadily developing into an industrial Town. Renfrew with an abundance of water and power supply, excellent factory sites and good living conditions for its citizens, holds promise of a bright future.

As the settlement of Renfrew in the 1850's took on new importance, so it appears that one hundred years later, the 1950's promise considerable expansion and greater importance to Renfrew and this area.

RENFREW - (Scotland)

The name of Renfrew was adopted for the Town of Renfrew, Scotland, many centuries ago and the origin of the word can be traced back to Celtic times. RENFREW is derived from the words used by the Celts in describing the terrain of either the County of Renfrew or Town of Renfrew in Scotland. The word was derived from two Celtic words "rhyn" - a point of land: and "frew" - a flowing of water.

During 1950 the pupils of Grade 7 Public School in Renfrew, Canada, communicated with pupils of the High School in Renfrew, Scotland and each gave interesting facts on their respective communities. Mr. A. W. Jeffrey, a Councillor of Renfrew, Scotland, very kindly enclosed a "Town Council Diary" in which the History of Renfrew is given and is as follows:-

"When Renfrew first became a Burgh is not known. In 1141 King David of Scotland granted to the Abbey Church of Holyrood a "toft of land inmy Burgh of Renfrew with the draught of one salmon net and the right to fish for herrings". This was long before the Shire of Renfrew was created. What is now the Shire was the Barony of Renfrew, and the Burgh of Renfrew was the Head Town in the Barony. Her rights extended down to the Firth of Clyde, hence the grant of herring fishings".

The first Charter to the Burgh was granted by King Robert the Bruce on 10th of November, 1313. In 1397, the Shire of Renfrew was created and Renfrew was made the Head Town of the Shire. In the same year, Robert III, granted a Charter to the Burgh, creating it a Royal Burgh, and subsequent Charters were granted by King James VI of Scotland, with consent of the Regent Morton, in 1575: By King James VI in 1614; and by Queen Anne in 1703. Under these Charters the Burgh enjoyed extensive privileges and grants, most of which are still held by the Town Council. These include the right of salmon fishing in the Clyde, for which the Clyde Trustees pay to the Burgh an annual sum of £225; the right of Ferry between the Cart and Marlinford, for which the Clyde Trustees again pay an annual Feu Duty of £1,660; the right of Harbour; and the Burgh Lands, from many of which valuable Feu Duties are derived, and of which there are still over 300 acres belonging to the Common Good and administered by the Town Council.

Renfrew, Scotland, has a population estimated at 20,000, and is important for its ship building and other various industries.

RULES AND REGULATIONS OF THE MUNICIPAL COUNCIL
OF THE CO. OF THE TOWN OF RENFREW

Council meets on the 2nd and 4th Tuesdays of each month, except the months of July and August. Notices of all regular meetings are mailed to members of Council and press representatives. A quorum consists of five members; the Mayor may be one.

A. THE MEETINGS OF COUNCIL

1. Subject to the provisions of the Municipal Act, the hour, date and place of the inaugural meeting of the Council in every year shall be fixed by the Council at its last meeting in the next preceding year.
2. After its inaugural meeting, the Council shall meet on the 2nd and 4th Tuesdays of each month save and except the months of July and August, at 7:30 o'clock p.m. in the Council Chambers at the Municipal Building unless such day shall be a legal, public or civic holiday in which case the Council shall meet at the same hour the next following day which is not a legal, public or civic holiday and at the same place, or unless postponement is made in the manner hereinafter provided.
3. (a) Any ordinary meeting of the Council may be postponed to a day named in
 - (i) a notice by the Head or Acting Head of Council given through the Clerk's office and two clear days in advance of the ordinary meeting or,
 - (ii) a by-law of Council passed by a majority of the whole number of the members thereof providing thereof.
 (b) The postponed meeting shall be held at the time and place provided for the ordinary meeting so laid over.
4. Subject to the provisions of the Municipal Act, the Council may be summoned to a special meeting on one clear days' written notice specifying the purpose of such meeting which shall be the sole business transacted thereat but by unanimous consent of all members present other business may be disposed of.
5. Unless otherwise determined by a resolution of Council passed by a majority of the whole number of the members thereof, the Council shall adjourn at 11:00 o'clock in the evening, if it is then in session, and shall reconvene at the time and place set out in section 2 of this By-Law when the unfinished business of the preceding meeting shall be transacted including any business that might have been transacted at such preceding meeting but was not for want of time or opportunity to do so.

B. THE ORDER OF PROCEEDINGS AT A MEETING OF COUNCIL

6. As soon after the hour fixed for a meeting as a quorum is present the meeting shall be called to order.
7. Where a quorum is not present within thirty minutes after the hour fixed for a meeting, the Clerk shall record the names of the members of Council present and the meeting shall stand adjourned until the next meeting, subject to the provisions of section 4 of this By-law.
8. The routine of business for the ordinary meetings of Council shall be as follows:

Minutes of previous meetings,
Communications,
Deputations,
Petitions,
By-laws,
Committee Reports,
Unfinished Business,

RULES AND REGULATIONS OF THE MUNICIPAL COUNCIL
OF THE CORPORATION OF THE TOWN OF LIVERPOOL

Other Business,

and all business shall be taken up on the order of routine in which it stands unless otherwise decided by Council.

C. THE CONDUCT OF PROCEEDINGS AT A MEETING OF COUNCIL

9. It shall be the duty of the Presiding Officer,
 - (a) to open the meeting of Council by taking the chair and calling the members to order;
 - (b) to announce the business before the Council in the order of which it is to be acted upon;
 - (c) to receive and submit, in the proper manner, all motions presented by the members of Council;
 - (d) to put to vote all questions, which are regularly moved and seconded, or necessarily arise in the course of the proceedings, and to announce the result;
 - (e) to decline to put to vote motions which infringe the rules of procedure;
 - (f) to restrain the members, when engaged in debate, within the rules of order;
 - (g) to enforce on all occasions the observance of order and decorum among the members;
 - (h) to call by name any member persisting in breach of the rules of order of the Council thereby ordering him to vacate the Council Chamber;
 - (i) to receive all messages and other communications and announce them to the Council;
 - (j) to authenticate, by his signature, when necessary, all by-laws, resolutions, and minutes of the Council;
 - (k) to inform the Council, when necessary or when referred to for the purpose, in a point of order or usage;
 - (l) to select the members who are to serve on committees, when directed to do so in a particular case, or when it is made a part of his general duty by a rule of procedure;
 - (m) to represent and support the Council, declaring its will, and implicitly obeying its decisions in all things;
 - (n) to ensure that the decisions of Council are in conformity with the laws and by-laws governing the activities of the Council;
 - (o) to adjourn the meeting when the business is concluded or in any event at 11:00 o'clock p.m. subject to the provisions of Section 5 of this By-law;
 - (p) to adjourn the meeting without question put in case of grave disorder arising in the Council Chamber.

10. No member shall
 - (a) disturb another, or the Council itself, by any disorderly deportment disconcerting to any member speaking;
 - (b) wear any head covering except in case of infirmity;
 - (c) resist the rules of Council, or disobey the decision of the Presiding Officer or of the Council on questions of order or practice or upon the interpretations of the rules of order of the Council;
 - (d) be permitted to retake his seat at any meeting after being ordered by the Presiding Officer to vacate after committing a breach of any rule of order of the Council, without making apology and the consent of Council expressed by a majority vote of the other members present, determined without debate;
 - (e) leave his place on adjournment until the Presiding Officer leaves the chair;
 - (f) speak until he has arisen and addressed himself to the Presiding Officer;
 - (g) walk across or out of the Chamber or make any noise or disturbance when the Presiding Officer is putting a question and shall occupy his seat while a vote is being taken and until the result thereof is declared.

D. RULES OF DEBATE

11. In directing the course of debate, the Presiding Officer shall
 - (a) designate the member who has the floor when two or more members rise to speak;
 - (b) preserve order and decide questions of order;
 - (c) read all motions presented in writing and state all motions presented verbally before permitting debate on the question, except when otherwise provided in this by-law.
12. In addressing the Council no member shall
 - (a) speak disrespectfully of Her Majesty the Queen or of any of the Royal Family, or of the Governor-General, Lieutenant-Governor or any member of the Senate, the House of Commons of Canada or the Legislative Assembly of Ontario;
 - (b) use indecent, offensive or insulting language in or against the Council or any member thereof;
 - (c) speak beside the question in debate;
 - (d) reflect upon any prior determination of the Council except to conclude such remarks with a motion to rescind such determination;
 - (e) speak more than once to the same question except
 - (i) in explanation of a material part of his speech which may have been interpreted incorrectly, or
 - (ii) with leave of the Council, after all other members so desiring have spoken, or
 - (iii) a reply may be allowed to the member who presented the motion to Council, provided that he shall speak for no longer than a 5 minute period without leave of Council;
 - (f) ask a question except of the previous speaker and in relation to that speaker's remarks;
 - (g) interrupt the member who has the floor except to raise a point of order.
13.
 - (a) Any member may require the question or motion under discussion to be read at any time during the debate, but not so as to interrupt a member while speaking.
 - (b) Any member may appeal the decision of the Presiding Officer on a point of order to the Council which shall decide the question without debate upon a majority vote of the members present.
 - (c) Debate shall be restricted to each proposal in its turn when a question has been divided upon leave of Council.

E. MOTIONS

14. Any motion may be introduced by any member of Council without notice and shall be set out in full in the minutes of the meeting of Council at which it is considered.
15. Subject to paragraph 28, a motion, which when adopted either becomes an act or expresses the sense of the Council, shall be submitted in writing over the signature of the mover or the signatures of the mover and seconder and shall be complete and correct.
16. A motion must be formally seconded before the Presiding Officer can put the question or be recorded in the minutes.
17. After a motion is read or has been stated by the Presiding Officer, it shall be deemed to be in possession of the Council and can be withdrawn before decision or amendment only with leave of the Council expressed by resolution.
18. A motion properly before Council for decision must receive disposition before any other motion can be received except a motion to amend, for the previous question, to adjourn, to extend the hour of closing proceedings, to commit or on a matter of privilege.

RULES AND REGULATIONS OF THE MUNICIPAL COUNCIL
OF THE TOWNSHIP OF THE TOWN OF LINCOLN - Cont'd

19. A notice to amend:
 - (a) shall be presented in writing;
 - (b) shall receive disposition of Council before a previous amendment or the question;
 - (c) only one motion to amend an amendment to the question shall be allowed and any further amendment must be to the main question;
 - (d) shall be relevant to the question to be received;
 - (e) shall not be received proposing a direct negative to the question;
 - (f) to separate distinct proposals of a question may be made;
 - (g) shall be put in the reverse order to that in which it is moved.

20. A motion for the previous question:
 - (a) cannot be amended;
 - (b) cannot be proposed when there is an amendment under consideration;
 - (c) shall preclude all amendment of the main question;
 - (d) when resolved in the affirmative, the question is to be put forthwith without debate or amendment;
 - (e) when resolved in the negative, the question shall not be put at the meeting but placed on the routine of business for the next ordinary meeting of Council or such later meeting as the Council may decide but not later than the last ordinary meeting of the Council to be held in the year in which the original motion was made;
 - (f) cannot be received in any Committee of Council;
 - (g) can only be moved in the following words "That the question be not put"; and
 - (h) may be voted against by the mover and seconder.

21. A motion to adjourn:
 - (a) the meeting shall always be in order except as provided in this paragraph and shall be put immediately without delay;
 - (b) when resolved in the negative, cannot be made again until after some intermediate proceeding shall have been completed by Council;
 - (c) is not in order when a member is speaking, nor during the verification of a vote;
 - (d) cannot be amended
 - (e) is not in order immediately following the affirmative resolution of a motion for the previous question.

22. A motion on a matter beyond the jurisdiction of the Council shall not be received by the Presiding Officer.

23. A motion on a matter of privilege shall receive disposition of Council forthwith upon receipt and when settled the question so interrupted shall be resumed at the point where it was suspended.

24. A motion for reconsideration of a question of a question which has been decided upon but not acted upon may be made at any time by a member who voted thereon with the majority and until decided by Council no further discussion of the question shall be allowed, but no such motion can be received which would require reconsideration of the same question more than once.

25. A motion to commit or recommit a question to a committee or committees with or without instructions; may be amended but must receive disposition by Council before the question or an amendment to the question, and when made prior thereto, before decision on a motion for the previous question or postponement.

26. Incidental motions in respect of a matter of special privilege, suspension of rules of procedure, adjournment, postponement, for the previous question, or commitment may be made verbally.

27. A motion containing distinct proposals may be divided with leave of Council.

RULES AND REGULATIONS OF THE MUNICIPAL COUNCIL
OF THE CORPORATION OF THE TOWN OF RENTHEW

F. VOTING OF MOTIONS

28. Immediately preceding the taking of the vote thereon, the Presiding Officer may state a question in the form introduced, and shall do so if required by a member except when a motion for the previous question has been resolved in the affirmative he shall state the question in the precise form in which it will be recorded in the minutes.
29. After a question is finally put by the Presiding Officer, no member shall speak to the question nor shall any other motion be made until after the vote is taken and the result has been declared.
30. A separate vote shall be taken upon each proposal contained in a question divided with leave of Council.
31. When the Presiding Officer determines to vote on a question, his vote shall be spoken, signified, polled and recorded after the votes of each member voting.
32. A member not present before the result of a division on a question is declared, shall not be entitled to vote on that question.
33. The manner of determining the decision of Council on a motion shall be at the discretion of the Presiding Officer, and may be by voice, show of hands, standing or otherwise.
34. Upon a request made before proceeding to another item of business, by a member who was present when the question was stated, a division on the question shall be taken, and the decision of a vote determined in any other manner, and whether declared or not, shall not be binding upon the Council.

G. GENERAL

35. Order of Business:

The Clerk shall have prepared a list of the items in the order of the topics set out as the routine of business in paragraph 8 for the use of each member at an ordinary meeting.

36. Minutes:

- (a) The minutes shall record:
- (i) the place, date and time of meeting;
 - (ii) the names of the Presiding Officer or Officers, and of the members present;
 - (iii) the reading, presentation, correction and adoption of the minutes of prior meetings.
- (b) It shall be the duty of the Clerk to ensure that the minutes of the last ordinary meeting and all subsequent special meetings held more than three days prior to an ordinary meeting are mailed or delivered to each member not less than forty eight hours before the hour appointed for holding such ordinary meeting.
- (c) Such minutes as referred to in paragraph 38 may be adopted by Council without having been read at the meeting considering the question of their adoption, and in other case the minutes must be read prior to consideration of adoption.

37. Communications:

All written messages, memorials and enquiries over the signature of the sender for the information of Council on matters of fact or which contain a request for action on the part of the Council in respect of matters within the jurisdiction of the Council and the replies thereto may be referred to a Committee or disposed forthwith.

38. Deputations:

Persons desiring to verbally present information on matters of fact or make a request of Council may be heard on leave of Council

RULES AND REGULATIONS OF THE MUNICIPAL COUNCIL
OF THE TOWN OF RENTHE

39. Petitions:

A petition in regard to a matter within the jurisdiction of Council made over the signatures of the subscribers shall be presented by a member who knows the contents thereof and vouches for the propriety of the petition, and may be received on leave of Council may be disposed forthwith, assigned some future time for consideration by Council or referred to a committee.

40. Committee Reports:

- (a) shall be received upon leave of Council;
- (b) may be recommitted to the same or a different Committee;
- (c) Shall be in writing.

41. Unfinished Business:

Items of business listed on the agenda, and not disposed of, shall be carried onto the agenda for the next ensuing meeting, with a note indicating the date of their first appearance, and shall be repeated on each subsequent agenda until disposed of by Council unless removed from the agenda by leave of Council.

42. By-Laws:

- (a) Every proposed by-law shall
 - (i) receive three separate readings;
 - (ii) receive not more than two readings on the same day except with the consent of a majority of the members present, and not otherwise provided in law;
 - (iii) be endorsed by the Clerk with the date of the several readings thereof;
 - (iv) be the responsibility of the Clerk for correctness when amended;
 - (v) upon second reading shall be engrossed with the seal;
 - (vi) be finally passed by Council before signature by the Head or Acting Head of Council and the Clerk.
- (b) Every proposed by-law may be referred to a committee for report after second reading, and such reference may be made with or without debate on either or both the proposed by-law or the motion to so commit, as the Council may decide.

43. In all contingencies unprovided for in this by-law the question shall be decided by the Presiding Officer and in making such a ruling he shall base his decision on the Rules, Forms and Forms of Procedure of the Legislative Assembly of Ontario.

44. Any procedure required by this by-law may be suspended with consent of not less than three quarters of the members present.

45. All by-laws and parts of by-laws inconsistent with the provisions of this by-law are hereby repealed.

46. This by-law shall come into force on the date of the final passing thereof.

MUNICIPAL ORGANIZATION

QUALIFICATION FOR MEMBERS OF COUNCIL:

Any person who is a householder, whose name is on the Voters' List, a Canadian citizen, twenty-one years of age, not otherwise disqualified, and whose taxes in respect of business are not unpaid, whose taxes on the land in respect of which he qualifies are not overdue and unpaid for a preceding year or years, and who does not owe more than three months rent at the time of nomination, may be elected to the Council.

SECTION 53 of the Municipal Act lists persons disqualified. It includes certain officers of the government, persons having himself, or by, or with, or through another, an interest in any contract with the Town or any claim against the Town, or in arrears in taxes, but this does not include a shareholder in a Corporation or exempted property.

NOMINATION MEETINGS:

By-Law No. 1581 of the Town of Renfrew, provides for the regular nomination meeting for Council, Public School Trustees, Separate School Trustees, High School Trustees, Victoria Hospital Trustees and Renfrew Hydro Electric Commissioners, to be held in the Municipal Council Chambers, on the last Friday in November, from 7.30 to 8.30 p.m. The Municipal Act provides for the Clerk to extend the length of time of the meeting, if necessary, to complete the business of the meeting.

Any person whose name appears on the last revised Assessment Roll may attend the meeting and nominate any person having the necessary qualifications for Council, Boards or Commissions.

Nominations must be in writing on forms provided by the Clerk and seconded by another Voter. Persons nominated must consent to nomination either at the meeting in writing, before the meeting in writing, or verbal notice by some person acting as Agent. If a person is nominated for more than one office, he must signify, before the close of the meeting, the office he intends to qualify for; otherwise he will be deemed to have consented to the nomination of the office for which he was first nominated. The person nominated and wishing to stand for office, must qualify by 9 p.m. on the day following the Nomination Meeting.

V O T I N G:

The Clerk's first posting of the Voters' List is advertised in the local newspapers and it is at that time all persons who believe they are qualified to vote at a Municipal Election, should see if their names are on the list and, if they are not, to enter an appeal at the Town Clerk's Office, providing they have resided in Ontario for the past nine months. Persons entered on the above-mentioned list are qualified by reason of:

- (a) Their names appearing on the 1952 Assessment Roll.
- (b) Being British subjects or Canadian Citizens by birth or naturalization.
- (c) Of the full age of 21 years.
- (d) Residing on property with an assessed valuation of \$300.00 or over, whether property owners or tenants.

Those persons qualified to vote on the money by-laws are property owners as shown on the Voters' List and noted "O" under "Qualification". The only tenants who may vote are those who have leased property for the period of time during which the money By-Law applies and then only after a declaration form is filed with the Town Clerk. A Corporation is entitled to appoint a nominee to vote on a money By-Law providing the appointment is made ten days before the day of taking the vote and the Town Clerk has been duly notified of the appointment.

MUNICIPAL ORGANIZATION

COUNCIL:

POLICE DEPARTMENT

The Police Force is a unit of the Ontario Provincial Police, consisting of a Chief Constable and 6 Constables. Chief Constable: Cpl. E.A. Hunter, 30 Railway Ave. E.

Magistrate: A.K. McGregor, Pembroke, Ont.

Court Days: Every Tuesday at 2:30 P.M.

Court Room: Municipal Bldg., 128 Raglan St.

On May 29th, 1951, By-Law 1711 was passed providing for policing Renfrew by the Ontario Provincial Police, commencing July 1st, 1951.

The Police Force has been given the duties of collecting or enforcing payment of all Licenses and Fees.

The cost to the Municipality for this Detachment is \$28,600.00 for 1957. plus .07 per milage on one car.

PUBLIC WORKS

Supervisor of Public Works:	Donald S. Fraser,	93 Lisgar St. E.
Supervisor's Assistant :	Douglas J. Cochlin,	291 Francis St.
Water & Sewers Foreman :	E. Hickey	347 Haig Ave.
Streets Foreman :	Enoch Scharffe,	368 Francis St.

The work on streets and sidewalks is under the jurisdiction of the Chairman of the Streets Committee and work on Sewers under the jurisdiction of the Chairman of the Water & Sewers Committee.

The cost of expenditures for street and road maintenance and cost of construction of main thoroughfares, drainage and snow removal, is subsidized by the Ontario Govt. The subsidy is fifty per cent of cost. This does not include overhead charges

STREETS: There are 31.16 miles of streets in the Town of Renfrew. The types of surfacing are as follows:

Bituminous Surface	11.79 miles
Gravel	14.70 "
Unopened	4.67 "

SIDEWALKS:

There are 24.39 miles of concrete sidewalks in the Town of Renfrew. These have been constructed under the local improvement plan and are maintained and repaired by monies provided through the General Tax.

GARAGE & WORK SHOPS: The Town Garage and Work Shop is located at 42 Raglan St. N., Storage sheds, located beside the Power House on the Bonnechere River, are rented from the Renfrew Hydro Commission. All vehicles are properly garaged to ensure them being kept in proper working condition.

Other sundry equipment includes 1 Grader, rotating broom for street cleaning, one V-plow, one one-way plow, two six foot reversible plows and a scarifier, one gasoline operated gravel crusher.

CONTROL OF WINTER CONDITIONS:

It is becoming increasingly necessary because of the steady and rapid expansion of year-round traffic on Town Streets, to expend large sums in combating winter conditions. This work comprises the removal of at least a portion of every heavy snowfall from the business section, snowploughing of streets and sidewalks; and the sanding of dangerous inclines, intersections and sidewalks, after a moderate fall of snow, in approximately nine hours. This same equipment may then be utilized for removal of snow from the business section and in front of public buildings.

The Case Tractor with the Hough Loader, has proven to be a valuable piece of equipment, both for summer and winter use. In winter it is quite efficient for loading snow and in summer a small bucket is attached for loading gravel in the Town Gravel Pit. The addition of a Snow Blower has greatly increased service provided in winter.

Sidewalks are ploughed mainly by the Willys Jeep with a blade plough and some sidewalk ploughing is done with the International Tractor with blade plough. The clearing of Streets is done according to a pre-arranged plan, assuring the maximum efficiency and use of equipment.

The Town owns a Gravel Pit, Sand Pit and Stone Quarry. The gravel and sand pits are located on the Horton Road and the Quarry near the Pinnacle.

GARBAGE COLLECTION & DISPOSAL

For some years the collection of Garhage has been by Contract. However, in 1956, the Town purchased a Woods Garbage Crushing Unit, mounted on a G.M.D. Truck, and garbage is now collected by employees of the Town. Garbage is collected twice per week and should be wrapped and placed in containers at the street line. Dr. Geo. Cox of Quarry Street, 'Phone HE 2-2355 is Sanitary Inspector.

The disposal area has been rebuilt so that now all garbage is covered and the disposal area is open to the public from 10:00 A.M. to 6:00 P.M. from Monday to Saturday.

Burning of Refuse in Fire Area.

The burning of paper, cardboard packing cases, boxes or other refuse material may be burned in this area providing it is confined in a metal burner and is properly screened to prevent the escape of partly burned material. The burner must first be inspected by the Fire Chief.

S T R E E T L I G H T I N G

The lighting of streets in Renfrew appears to have begun in the year 1886 when five arc lights were installed at a cost of .25¢ per night. The lights were placed on high poles to serve large areas. In 1889 consideration was given to installing an incandescent circuit and placing electric light poles on the streets and in 1890 the installation was made. For many years the Electric Power Plant, on the Bonnechere, was under the jurisdiction of Council, and on the establishment of the Renfrew Hydro Electric Commission in 1944, the management of street lighting was taken over by the Commission. The Street Lighting Committee of Council investigates all lighting conditions and recommends improvements deemed advisable from time to time. The Hydro Commission charges the Town for Street Lighting on an interim rate during the year and upon learning actual cost at the end of the year, an adjustment is made by way of rebate or additional charge. The interim rates being charged the Town is on a per lamp basis and during 1957 is as follows:

PUBLIC HEALTH

The work of this Department is under the jurisdiction of the Board of Health a Board appointed by Municipal Council annually. The M.O.H. is employed on a part-time basis. The Sanitary Inspector is Dr. Geo. Cox, 61 Quarry St. A full time Public Health Nurse has been employed since 1929. The Staff of this Department is as follows:

Medical Officer of Health	Dr. G. B. Burwell, 57 Renfrew Ave. E.
Sanitary Inspector	Dr. Geo. Cox, 61 Quarry St.
Secretary	Mr. F. W. Hunter, Clerk-Treasurer.
Public Health Nurse	Miss B. Ryan, 418 Lynn St.
Public Health Nurse's Office	Recreation Centre 67 Argyle St.

Considerable work is done by the Public Health Nurse among the children in the Primary Schools and for this reason Nurse's Rooms have been set up in two of the Public Schools and the Separate Schools, with the necessary equipment and supplies in each room. The yearly report on work of this Department is quite extensive, giving complete detail.

The Medical Officer of Health and the Sanitary Inspector make periodical inspection of eating places, dairies, creameries, stores etc. and tests of water and milk are made regularly and a record is kept of all tests. Some vital and financial statistics are as follows:

WATERWORKS

The first practical step towards Waterworks was taken in the latter part of 1895 when Council engaged Mr. Alexander Potter of New York to report and prepare preliminary plans and estimates. In his report, presented in January 1896, he advocated a gravity supply from Hurd's Lake in preference to pumping from the Bonnechere River. In January 1897, Mr. Potter was again in Renfrew, and Council requested a further report on possible supply from the Ottawa River or Millar's Lake. He reported in March of that year, and stated that owing to results of analysis of samples of water from Hurd's Lake, he now favored the Bonnechere as a source of supply. Following receipt of the report, Mr. Willis Chipman, C.E. of Toronto, was engaged to superintend the construction of the works.

The main system was installed in 1907 which included a system of mains, standpipe and pumphouse intake and filter plant near the foot of Ready Avenue, taking the supply from the Bonnechere River at that point. In 1912 the pumphouse at this point was abandoned and the water from the intake was conveyed through an 18" concrete pipe down to the then new Hydro Electric Plant near Bridge Street. The filters and pumps, together with new hydraulic operated pumps, were installed in the new powerhouse. With some additions the present supply works at this point constituted the Town's water supply plant.

W A T E R W O R K S: Con'td.

Tests of filtered water in 1946 gave a low rating and at times was not safe for human consumption. Following these tests, Messrs. Proctor, Redfern & Laughlin were engaged to make a study of the water supply and report. The report submitted Oct. 24/47 indicated a number of deficiencies and the recommendation was made to construct a modern gravity type filter plant. It was first intended to continue pumping from the powerhouse, but Council learned that costs for connecting would be high and having the pumps at the filtering plant will be more economical over a period of years.

The services of Mr. Proctor were retained for drawing up of plans, calling of tenders and supervising of construction. Tenders were awarded on Jan. 25, 1950, and work commenced on the low lift pumphouse in February, 1950. The General Contractors were M. J. Sulpher & Sons Ltd. of Renfrew. The Plant went into operation in March, 1951, and is operating smoothly. With the operation of the new plant, the water pressure in South and East parts of the Town has been greatly improved.

The construction and operation of the Filtration Plant and Pumphouse was briefly as follows:

The new intake was constructed between the CPR and Aberdeen Ave. This intake is 16" cast iron pipe with inlet crib in the centre of the River and a screen house and low lift pumphouse at the bank of the river. In this low lift pumphouse there is installed a mechanical travelling screen, with fine mesh; it is self-washing. Behind the screen is a pump well.

Installed in this building is the pumping equipment for lifting the water up to the main filter plant. These pumps are electric motor drive with a diesel engine driven pump for stand-by in case of power failure. There are three pumps, 2 electric of one million gallons per day capacity, and the diesel of two million gallons capacity.

From the low lift pumphouse, the water is conveyed in a cast iron force main up to the settling basin. This basin provides for a period of two hour settlement. It is equipped with mechanical silt removal apparatus and contains a modern chemical application chamber.

From the settling basin the prepared water flows by gravity onto the filters. These filters are in two units of one million gallons per day capacity each. From the filters the water flows by gravity into a clear well, where 500,000 gallons of filtered water is stored.

The water is then pumped from the clear well into the Town main system by two electric driven pumps of two million gallons per day capacity or a stand-by Diesel engine of two million gallons per day capacity. By installing the Diesel stand-by pumps we are assured of a dependable water supply and sufficient pressure for fire protection in the event of a hydro shortage or breakdown.

Although the Waterworks is under the jurisdiction of Council, it is, for all intents and purposes, operated as a separate utility. The monies are kept entirely separate and no surplus funds are paid over to the General Fund. The utility is charged for all service it gets through the municipal office, and receives credit for all earnings.

It will be noted on one of the Statements in this book that over \$56,350.00 of Revenue has been expended on Capital Expenditures during 1948, 1949 and 1950. In this way all extensions of water mains required have been installed and paid for. There should be almost the required amount of money from current revenue in future years, on the present water rate basis, to meet operation expenses and the Debenture payments on the New Filtration Plant. Revenue, expenditure and statistical information will be found on a separate page in this book.

The following is the schedule of water rates as per Waterworks By-Law No. 1885 as amended by By-Law 1642.

ELECTRIC POWER

The power development and distribution system is owned by the Town of Renfrew and operated under the jurisdiction of the Hydro Electric Commission of the Town of Renfrew, composed of three members, two of which are elected at the time of the Municipal Elections. The other member is the Mayor who is a member of ex-officio.

The power development on the river consists of two Hydraulic Plants drawing their motive power from the Bonnechere River. There are two power dams at Renfrew and three reserve dams at Round Lake, Golden Lake, and Lake Clear respectively.

The total amount of power development in Renfrew is 2,000 Kilowatts and constitutes approximately fifty percent of the Town load; the remaining fifty percent coming from the Ontario Hydro Electric System.

The Commission's operations come under the jurisdiction of the Ontario Hydro Electric Commission and the Power Commission Act of Ontario.

LOCAL IMPROVEMENTS

HOW TO SECURE LOCAL IMPROVEMENTS:

To secure a sewer, water, sidewalk or pavement services, two thirds of the Owners, representing more than half of the value of the property to be benefitted, may petition for same on a form provided by the Town Clerk.

The Council may proceed with any such work on what is known as the initiative plan, unless a majority of the property owners, representing one-half of the value, oppose same.

Reduction or allowance is made in the case of corner lots and this allowance is paid by the Municipality.

Usually, debentures are sold to finance Local Improvements, and payment is spread over a period up to twenty years. The practice in Renfrew for some years, is to charge the full amount on the tax roll in the year following that in which the work is done, and the owner to pay off the amount in five years. A longer term may be arranged for.

All Local Improvements to be financed by Debenture Issue, before being undertaken, must be approved by the Ontario Municipal Board.

MISCELLANEOUS STATISTICS

VITAL STATISTICS: The number of births and deaths are noted under "Health Department" in this book. All medical practitioners must notify the Town Clerk, who is the Division Registrar, of all births and still-births, within two days, on a blue card, and inform the parent or guardian as to the manner of registering the birth.

Births must be registered within thirty days. Forms shall be filled in with ink (not ball point pen).

Parents and physicians are required to register births; clergymen the marriages, and physicians the deaths.

While applications for Marriage Licenses must be made not later than the third day before the license is to be used, it is suggested that applicants secure their licenses at least ten days in advance of the date set for the ceremony.

Persons desiring to have Banns published should make the necessary arrangements with the Clergyman who is to perform the ceremony. This should be done at least four weeks in advance of the date set for the ceremony, to permit full compliance with canon law. It is pointed out that where one party to a marriage lives outside the Province of Ontario, banns may be called but a marriage license ~~must be obtained before the ceremony may be performed.~~

DAYLIGHT SAVING

Daylight Saving Time has been observed in Renfrew for some years. At the Annual Election December 13th, 1946, the question of Daylight Saving was voted on, and the result of the vote was: Yes - 1,2000; No - 694. Owing to the large cities and surrounding towns adopting Daylight Saving each year, Council believed it unwise to remain on Standard Time, and thereby create confusion. Each year Council passes a Motion adopting Daylight Saving Time.

Daylight Saving Time will be observed in Renfrew in 1957 during the period:

12.01 A.M. Sunday, April 28th, 1957
12.01 A.M. Sunday, Oct. 27th, 1957

Although the first settlers came to Renfrew in 1820 it was not until 1835 that they were strong enough in numbers to found a school. A "Section" was organized and three Trustees appointed. These were Dr. John McNab; Sergt. Airth and Thomas Costello. They chose Mr. Duncan Ferguson, 18 or 19 years of age, as the first Teacher. He had come from Drummond in Lanark, with the tide of immigration.

The first School was located, as records give it, on the side of Barr Farm near where it joins the Martin Farm. This is in the vicinity of Thompson Hill. The first class numbered 25 or 30. Many changes were made up to 1858 when the settlement at Renfrew was incorporated as a Village. With the incorporation came the re-organization of the School Board as well. This new Board was known as the Board of Common School Trustees. In 1859 the Common and Grammar Schools were combined, and known as the Renfrew Public School, under a Board of School Trustees.

The above is, briefly, the origin of our schools in Renfrew. For a more complete history, it is suggested you read the book "The Story of Renfrew" by the late Mr. W.E. Smallfield. The book may be found in our Library, but since only one copy remains in the possession of the Library, it may not be taken from the building.

The organization and personnel of the Public School Board will be found elsewhere in this Book.

The first Separate School was opened, probably in the year 1871 or 1872, in the old Roman Catholic Church on Plaunt Street. About the year 1873, on the completion of the present Church, the old Church was demolished and school classes were held in the old Polish Church, which was located between Patrick Street and Lisgar Street. In 1882 a Separate School was erected on Lochiel Street. In 1886 a Convent and School under the direction of the Sisters of Holy Cross was built on Barr Street. As the number of pupils increased the Board decided in 1911 to tear down the old Separate School on Lochiel Street and to replace it with a larger and more imposing structure that could accommodate pupils from both schools. A new wing, including the present auditorium was built in 1931.

H O S P I T A L

In the year 1885 the need for a hospital was great, and Council took steps to relieve the situation. A house on the Ward Farm, which we understand was on the Horton road just past the Roman Catholic Cemetery, was used as a Hospital until about the year 1887 when a new Hospital was built. This building served the Community until the year 1924 when it was destroyed by fire. The patients were removed to Hotel Renfrew and taken care of there until other quarters were secured. The Stewart Home one of the buildings on Baglan Street North, now used by St. Joseph's Academy, was used as a Hospital until the present Hospital was opened in 1927.

The first Hospital Board was formed about the year 1897 and was composed of members representing the various churches. This Board, known as the "Board of Management of Victoria Hospital" conducted and carried on the Hospital until the year 1922. On Jan. 2nd, 1922 the Electors voted on the question "Whether the Victoria Hospital should be operated as a Civic Institution by an Elected body of Governors comprised of nine citizens" and 637 votes were cast in the affirmative and 73 in the negative. A Petition was made to the Ontario Government to have the Hospital set up as a Civic Institution, and on May 18th, 1922 an Act, known as "THE VICTORIA HOSPITAL AT RENFREW ACT" was assented to. the present Board is given elsewhere in this book.

PUBLIC LIBRARY

Library history in Renfrew dates back to the time of the early pioneer. We are told that about the year 1850, Renfrew had a reading "Crowd" such as has not been surpassed, if even equalled, in any subsequent period of Renfrew's history. Entertainments were held for the purpose of buying books and this proved very successful.

Through the leadership of Elkanah Billings, the Renfrew Mechanics Institute and Library Association was legally instituted in 1852 and in a period of a few years shelves of the Institute Library were filled with a selection of the best books of that day. In the "sixties" the group scattered, but during the "Seventies" another group set themselves to work and soon brought matters back to a fairly satisfactory state. In the "nineties" the Institute gave place to the Public Library, to whose care the Library was turned over. In 1896 the Town Council took over the Mechanics Institute to convert it into a Free Public Library.

In March, 1951, Municipal Council awarded a contract to Mr. W.A.Derry for the installation of a Central Steam Heating Plant to be located in the Fire Hall and to heat the Fire Hall, Police Building and the Library Building. With this new system of heating the Library Board will be enable to utilize the basement of the building, as was intended when the building was first constructed.

The land on which the present Library is situated was bought by the Town for \$5,700.00, possibly in 1918 or 1919 and Debentures sold in 1920 to finance it. It appears that the Library building was constructed in 1918-1919 and paid for entirely by the Carnegie Foundation.

Financing of our Library is done by means of special Tax Levy, which forms part of the Municipal Taxes and a yearly Grant from the Carnegie Foundation.

Meetings 2nd and 4th Thursdays at 6:30 P.M. at Hotel Renfrew. Eyesight conservation is an important work of the Club. Community betterment and sports promotion have also been given considerable attention by the Club. A large project undertaken in the promotion of sports was the purchasing of the Skating Rink in 1945 and the renovation of the building in 1949 to increase seating capacity. Installation of artificial ice assured skaters and hockey fans of a good ice surface, regardless of weather conditions.

Editor: Dr. W. A. Brown.

This Auditorium was purchased by the Town of Renfrew, in December, 1953 by Vote of the People, at a cost of \$44,500.00.

MANUFACTURING

The Town of Renfrew has developed during the past few years, from a Creamery
 Town to an Industrial Town. This appears to have been due to the good facilities
 which the Town has to offer to Industry. There is an ample supply of water and good
 factory sites and satisfactory transportation connections. Most important of all,
 however, is its location - in one of the most beautiful parts of Southern Ontario,
 offering many attractions for sport in the out-of-doors, including good hunting and
 camping. Much work has been done and is being done by our Board of Trade to bring
 Industries to Renfrew.
